4. Fundraising –

- Dielman's is completed. Christine faxed off the physical forms yesterday. The orders should be in in a few weeks. Christine will email PAC when we get the delivery date and we will need volunteers to help with distribution.
- Raffle – Christine has applied and payed for the raffle license. We had to make the tickets 2 dollars each and up to \$5000. Prizes are coming in. There is the Railway museum donation. They sent 10 family passes which are worth \$40 dollars each. Christine proposed that we give those out singly with a box of chocolate/board game and that PAC purchase the items to go with it if we do not have 10 baskets.
- Halloween Carnival – This was a HUGE success! Thank you Chantal for throwing such a great event and to all the parents for helping out.

5. Winter Dance planned for December. Good date for the school would be Friday Dec 2nd evening (to kick off the holiday season!).
