

## **PAC Meeting Minutes**

Tuesday, May 2<sup>nd</sup> 2023 @ 6:00pm

In attendance: Megan Boniface, Samantha Schmidt, Kalla Weber, Chantal Weber, Christine Patterson (virtual), Samantha Holland (virtual), Lando Hill.

Megan – Welcome and Acknowledgement

Christine - Gifts were ordered for staff (keeping what the gifts are a secret). May have to have an impromptu meeting to pick the recipient for the grad bursary. Waiting for all applications to be handed in.

Megan:

- **Bus Trips** – Little Mermaid and Shrek (pack paid \$1 per kid, total \$125 per trip). Looking to see if PAC will help out with the cost for the primary fun run in Fort St James on May 25<sup>th</sup>, 2023. Approximate cost \$600-700 for 3 buses. PAC has decided to wait for an updated financial statement before agreeing to pay for anything at this time (tabled for next meeting)  
Swimming trip won't be happening this year, haven't heard back from the pool and running out of time.
- **Hot Lunch Grant** – Subsidizing available through school grants. The Fraser Lake Men's Shed has given \$1000 and Centera Gold has given \$1000 towards the food program at Mouse. Once an updated financial statement is sorted, we can figure out the costs of the hot lunch program to see how much (if any) subsidizing is needed.
- **Fundraising** (for next year) – Dieleman (fall catalogues are available), Christmas Raffle, Kernels Popcorn, Mouse Mountain apparel – tabled for next meeting.

Chantal has offered to take over treasurer position for the remainder of the year. Will look into more information regarding application for gaming grant.

Next meeting - TBA
