

Mouse Mountain PAC Meeting

Thursday Nov 4th, 2021

In attendance - Christine P., Megan B., Megan O., Samantha H., Jade M., Samantha S., Kalla D., and Chantal W.

Welcome and Acknowledgements

Christine – Attended the district PAC meeting and it went well.

Would like to apply for a gaming license (cost \$75.00) in order to do a Christmas basket raffle fundraiser (All in favor to purchase gaming license.) Money raised will go to PAC. Christine will get a donations letter ready to hand out to businesses. Deadline for donations will be the end of November. That will give us time to get the baskets ready and sell tickets.

Christmas books are here and ready to be wrapped. Samantha S. and Jade M. have volunteered to help wrap the books.

Fundraiser updates:

Fresh to you – we did not sell enough bundles. Needed a minimum of 40 to complete order. Everyone will get refunded.

Dielmans – orders are in

Playground equipment – “alligator slide” was removed because it didn’t meet safety requirements. Just an idea for the future, if PAC could purchase a new piece to replace it.

December:

Santa visit will take place the week of December 13th-16th (not finalized yet)

Virtual Christmas concert will take place December 17th.

Idea for families to watch – send children home with popcorn/concert ticket (PAC will purchase popcorn to send home to families)

School updates/Coming soon:

Seamless entry before and after school care program is getting closer to being available. One position has been filled, other applicants in progress. There will be 12 spots available for children.

Remembrance Day assembly – virtual on Nov 10th. No school on Thursday Nov 11th.

Hot Lunch update:

Conflicting work schedule for a couple ladies. Megan O will continue to coordinate hot lunch forms but is not able to be at the school on hot lunch days. Asked to change hot lunch days to Tuesdays (all in favor). Tuesday will be the new hot lunch day starting Nov 23rd.

Next PAC Meeting will be Thursday December 2nd @ 5:00pm
