Message from the Principal

Our lucky children will all get the opportunity to go swimming at the pool in Vanderhoof over the next month. Thank you to our PAC for supporting this endeavor. Swimming is a great fitness activity and so accessible in the summer for us in this community; however, getting to swim in the winter is a treat. Thank you to all the parents who have offered to come swimming with us. Thank you to Mrs. Chmelyk and the FLESS Leadership group for being part of the great experience too. Our first group of swimmers will go on February 18th in the morning. How exciting!

Please be sure to send your child's skates and helmet (helmets must be worn on the ice) to school on those days, and if you have time, we would really appreciate your help with tying skates!

SNAP

To keep problems small

Friday is Valentine's Day: a day that children look forward to with excitement and anticipation for all the cards they will receive and special classroom activities.

For some it can also be a time of high emotions. Even though the teacher has sent a note home with the names of all the children in the class, children can be unsure of whether they will get a class set of cards, or what kind of cards they will get, or even if they will have cards to bring to school.

Any time there are high emotions it is important to:

Stop and take 5 deep breaths or practice their finger breathing

Now and think that they can handle the situation

Plan what they will do now that they are feeling calmer

We all have feelings, but it is how we handle them that can help us keep our problems smaller.

Newsletters

Newsletters will be sent home every Wednesday.

This year we hope to reduce the number of newsletters we print. Please help us decrease our footprint on our earth. If you would like to receive your newsletter by email please sign up on our school website: mouse.sd91.bc.ca
