Re: Pokémon cards at school

Hadih and hello Mouse Mountain Families,

For the remainder of the school year, we are asking children to please leave Pokémon cards at home and not bring them to school. While these cards can be fun for children to play with at recess, we are noticing more issues arising recently with Pokémon cards at school. In [some cases](#), having Pokémon cards at school serves as a distraction from learning for children. Recently, staff are spending too much valuable learning time helping children with problems related to Pokémon cards. All children's learning is so important to us and so we kindly ask for your help in reminding your child that these cards must stay home. If children do bring Pokémon cards to school, we will hold onto them for the day to keep them safe and will send them home with the child at the end of the day.

Thank you in advance for your support and understanding. Please feel free to contact me if you have questions.

Sincerely,

Megan Boniface
Principal
