

PAC Meeting Minutes

Tuesday, January 17th, 2023

In attendance: Chantal Weber, Samantha Schmidt, Lando Hill, Megan Olin, Megan Boniface, Christine Patterson

Welcome and acknowledgement – Megan

Topics for discussion:

1. **Christmas Concert and Santa visit** – Both events went really well. The kids really enjoyed their visit from Santa. A lot of good feedback from the Christmas concert, a job well done!
2. **Christmas basket raffle** – fundraiser made approx. over \$2200.00. Christine did a great job of getting donations. Thanks to everyone who helped out.
3. **Valentines or Spring Break Dance** - PAC will be hosting a spring dance on Friday March 10th from 5:00pm to 7:00pm. Concession will be available to purchase items.
4. **Swimming this spring?** – Pool is closed at the moment due to broken water pipes. Megan will call and get more information as to when the pool will reopen. Once we have a date we can plan for class trips.
5. **Would we like to do a \$500 bursary for FLESS?** – We can no longer use our gaming grants to fund bursary. Some PACS in the district are still going to donate using fundraising money, and some are not going to continue providing a bursary. Our PAC has voted, and we are all in favour to continue to provide a bursary for a FLESS graduate using our fundraising funds.
6. **Media Licence** – some confusion as to if this needed to be renewed in order for classrooms to continue watching movies. Megan will look into situation to see if we need to get this renewed or not.
7. **Scooters and costs for Christmas play** – No extra costs for the Christmas play, just the costs that has been previously approved and paid for by PAC.
8. **Field Trips** – Children's theatre production in Vanderhoof, Vanderhoof Play, Grade 1 soccer day in Vanderhoof. PAC has agreed to cover Bus costs for these trips.
School Skating - Megan will look into times and dates.

Parent had concern with the idling of vehicles at school drop off and pick up. Megan to look into rules/policy regarding this. Will further discuss.

Next PAC meeting Tuesday, February 21, 2023
