MOUSE MOUNTAIN ELEMENTARY

Message from the Principal

Hadih and Hello!

Happy new year everyone and I hope you enjoyed the holiday season! We were very happy to welcome all our students back to school this week. It was great to see so many smiling faces yesterday!

We sent home a new hot lunch form (pink form) yesterday. **Hot lunch forms are due back on Wednesday Jan 11th.** If you did not get a form, you or your child can pick one up at the office.

One of our goals this year as a school is to help all students develop strong **number sense**. Number sense means being able to understand the 'value' of a number and show the number in different ways. I'll be sharing out little updates in our newsletters about how we are doing with the goal and how we are working towards it! **Each month we have a number challenge** posted in the hallway and every child can participate! Ask your child to tell you about the number challenge each month.

Our next **PAC meeting** is at the school on **January 17th at 6:00 pm**; all parents and guardians are welcome to attend! You can join us in person in the library or online. The online link is posted on our website at www.mouse.sd91.bc.ca

Thank you for all you do to support our school!

Mrs. Megan Boniface

Our School Numeracy Goal

Our goal is for all students to demonstrate number sense and meet essential learning goals in numeracy at each grade level by June.

MMES Parent Advisory Council

Please remember that we are a **peanut-free and seaweed-free school** this year. Please do not send peanut butter or products containing peanuts to school.

You can send peanut-butter substitutes such as WOW butter or almond butter (please just help us by labelling it).

Next PAC Meeting: January 17 @ 6:00 PM

Location: Mouse Mountain School

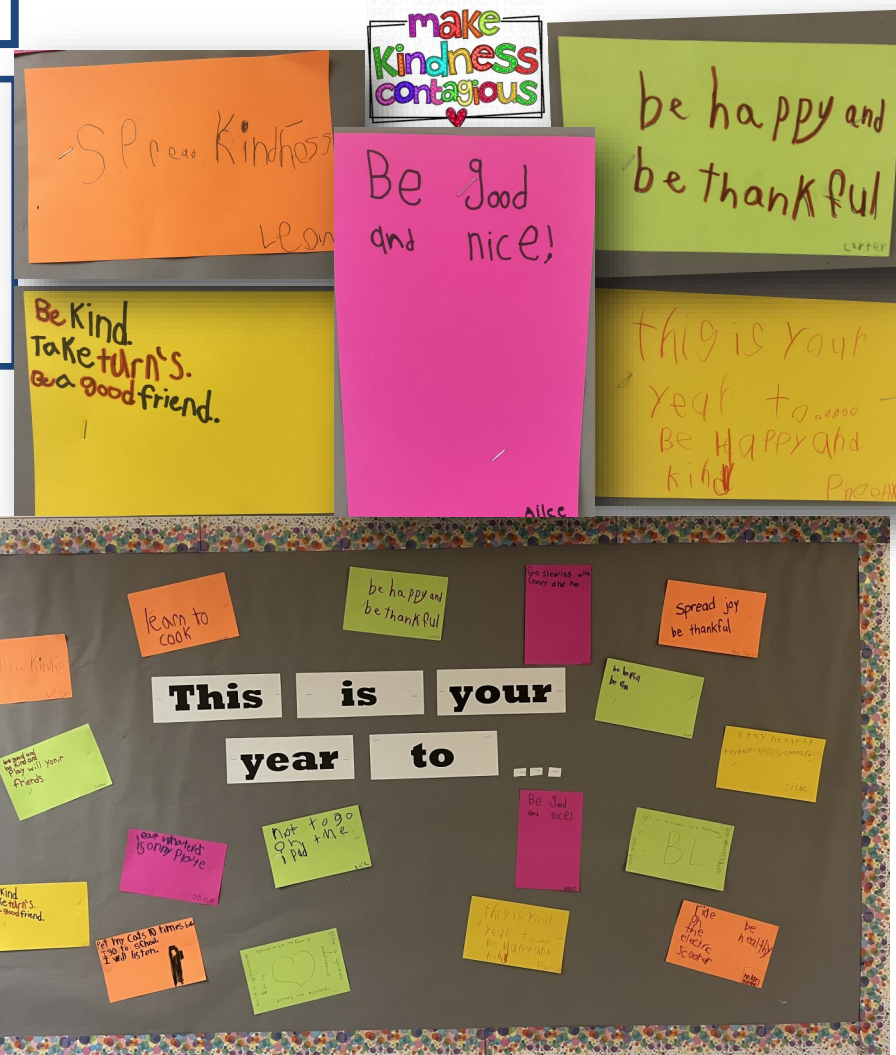

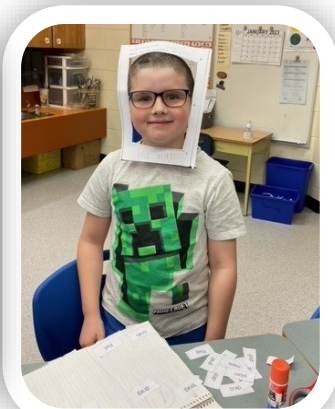

Join us at the school or online.

All parents and guardians welcome!
