MOUSE MOUNTAIN ELEMENTARY

Message from the Principal

Hadih and Hello!

Report cards came home this week. If you have any questions about your child's learning please contact your child's teacher.

Classes have been working hard on our Christmas Concert Movie "**Melton the Warm-Hearted Snowman**"! We will be filming the concert on Dec 14th and presenting it virtually on Dec 17th at 11:00 am. You can find the link to join on the homepage of our Mouse Mountain website (mouse.sd91.bc.ca). We are excited!

The **SD91 District PAC** is hosting a virtual townhall on **Dec 10th at 5:00 pm** (new time) - and it will also be recorded. Please find the link on the **SD91 website** (www.sd91.bc.ca).

We have a few fun festive

theme days next week. **Mon Dec 7th** is "**Red & Green**" **Day** and students can participate by wearing something red and/or green! **Tues Dec 8th** is **crazy Christmas hair day!**

Thank you families for all that you do to support our school!

Mrs. Megan Boniface

Calling parents and youth in BC!

COVID-19 and Youth Mental Health

Since COVID-19 was declared a pandemic, many public health responses have been implemented including social distancing measures and school closures.

These measures may have an impact on the mental health of children and teens, and we need to adjust the type and amount of resources being offered our children.

The MyHEARTSMAP team needs your help to measure how much and in what ways the changes in our lives during the pandemic have affected the social and psychological wellness of our children and youth.

Using the MyHEARTSMAP online psychosocial self-screening tool, children, youth, and (or) their parents, can learn about which aspects of their mental health may be of concern and might benefit from support resources, and where to find them in BC.

Learning about our children's needs will **help guide our provincial mental health resource planning.**

Who can participate in this study?

- Children and youth aged 10-17 in BC
- Parents with a child aged 6-17 in BC

What is involved?

- Answer questions about how COVID-19 has affected you
- Complete the MyHEARTSMAP Self-Screening Tool after enrolling, and again in 3 months

If you are interested in learning more and participating, please visit our website at:
