MOUSE MOUNTAIN ELEMENTARY

Message from the Principal

Hadih and Hello!

Last Friday, **Mrs. Schulz and Ms. Driedger's classes** had a chance to attend the Sturgeon release in Vanderhoof! Each student released a salmon fry and each class released a sturgeon. We hope our two classes' sturgeons, **Timmy Tim Tim** and **Bubba Lizzy** live a long life!

Ms. Russell's class and **Ms. Micklich's class** will be participating in a field trip to **Stellat'en First Nation** on **Friday Monday June 13th** (*****please note that this date has changed**). to learn about the Drone Project. Classes will also get to tour the community gardens and visit the smokehouse.

Mrs. Duncan and Mrs. Welsh are working hard to plan an **educational potlatch** on June 17th for all classes.

We have a couple of events coming up at the end of June that we hope families will join us for! **National Indigenous Peoples' Day on June 21st**. We will be attending the parade and the events at the sports complex. **Mouse Mountain Fun Day is on June 24th**. We will play games, and enjoy a hot

dog barbeque lunch!

We are having some issues arise with **Pokemon cards** being brought to school. Sometimes these cards are valuable and special to students, so we are asking all students to please keep Pokemon cards at home for the rest of this school year.

It is that time of year where (somedays) we have warm weather and students will be outside. Please remember to **apply sunscreen and pack a hat** on those warm days.

Our school received a generous **grant from the Fraser Lake Men's shed** to support our food program and hot lunch program next year. This grant will help to keep the price of hot lunch consistent and affordable for families. **A BIG THANK YOU to Fraser Lake Men's shed!**

For those that ordered Mouse Mountain apparel, it should be arriving by the end of next week. Thank you for your patience!

Thank you for all you do to support our school!

Mrs. Megan Boniface
