MOUSE MOUNTAIN ELEMENTARY

Message from the Principal

Hadih and Hello!

Wow, I can hardly believe that it is June already! Last week, the grade 2 and 3 students went to Vanderhoof to release our class sturgeons into the Nechako river. We also got the chance to release some salmon fry! The photos in the newsletter are from **Sturgeon Release day**.

Today we had our **drumming performance**. Our students did an amazing job drumming and singing together. We are so fortunate to have had Mrs. Candice George teach the children traditional drumming and carrier songs this year. Mussi Mrs. George! I would also like to thank our education coordinators from Stellat'en First Nation and Nadleh Whut'en First Nation for making this opportunity possible. We look forward to learning from Mrs. George again next school year!

Next week on **Friday June 16th at 1:00 pm** in the gym, we will be holding our annual education potlatch. This year, the host clan will honour the many guests and community members who helped to teach our students this year. We invite families to come and join us; everyone is welcome.

Our caterpillars are hatching into butterflies! We are now beginning to feed the butterflies as they grow and soon it will be time to release them into nature.

Families are also invited to join us for **National Indigenous Peoples' Day on June 21st**. We will be attending the parade and the events at the sports complex.

A reminder to grade 3 parents and guardians that the **grade 3 farewell** will take place on **Monday June 26th at 11:00 am** in the gym. We hope that all grade 3 families can join us.

Thanks for all that you do to support our school!

Mrs. Megan Boniface

|---------|--|
| June 13 | Chicken nuggets |
| June 20 | Pancakes and sausages |
| June 27 | Free Hot Dog lunch for all
Students (Fun Day) |

Important Allergy Information

Please remember that we are a **peanut-free and seaweed-free school** this year. Please do not send peanut butter or products containing peanuts to school.

You can send peanut-butter substitutes such as WOW butter or almond butter (please just help us by labelling it).

Before and After School Care

Mouse Mountain School offers before and after school care programming from 7:30 am - 5:30 pm Mon-Fri, including PRO-D days. We have spaces available. Please contact our office for more information and to register. We will also help families explore and apply for the Affordable Child Care Benefit to help cover monthly fees.

Sturgeon Release

Please take care to stop at the 4-way stop in front of the school and yield to pedestrians. We have many students walking to school and their safety relies on drivers paying attention and following the rules of the road.

Thank you in advance for keeping our children safe!

Fraser Lake Public Library
